Advice for Choosing Your Accommodation

Selecting the right accommodation is an important decision that can greatly enhance your experience while studying at Faseeh Institute. Your choice should depend on several key factors, including:

- 1. Cultural Immersion:**
If you are eager to immerse yourself in Jordanian culture, practice Arabic daily, and engage with locals, staying with a host family might be the best option.
- 2. Privacy and Independence:**
For students who value their personal space and prefer a more independent lifestyle, an apartment or hotel stay may be more suitable.
- 3. Convenience and Comfort:**
Consider the amenities and services offered by each option, such as access to public transportation, internet, and proximity to the institute and local attractions.
- 4. Budget:**
Be mindful of your financial plan and what each accommodation option includes in the price (e.g., meals, utilities, or cleaning services).
- 5. Personal Preferences:**
Reflect on your comfort level with sharing spaces, cooking your own meals, or having access to recreational facilities, such as gyms or pools.

By evaluating these factors, you can select the accommodation type that best suits your needs and goals for your stay in Amman. Whatever you choose, Faseeh Institute and its team are here to support you throughout your journey.
